Following is the list of the 2012 Scramble trips. **Please prioritize (1=first choice, 2=second choice, etc.) the trips in which you most want to participate.** Prioritize all those trips that interest you. Preference will be given to trips that you rank higher but Scrambles are extremely popular and you may not get your first, or second, choice. **Submit payment for your highest priority trip (#1) with your application form.** You will be refunded or charged more if you are assigned to a trip whose cost is different. On June 10th a Scrambles placement lottery drawing will be held. **In order to be eligible for the lottery your completed application and payment must be received before June 10th. In the event Scramble openings remain after the lottery,** they will be filled on a first-come, first-served basis from among applications received after June 10th until all positions have been filled.
