

Matthew W. Prull, Ph.D.
Curriculum Vitae

Department of Psychology
Whitman College
345 Boyer Avenue
Walla Walla, WA 99362

Tel: (509) 527-5890
Fax: (509) 527-5026
prullmw@whitman.edu

Professional Appointments

1999-present Professor (2015-present, department chair 2017, 2022-present)
 Associate Professor (2005-2015, department chair 2005-2008)
 Assistant Professor (1999-2005)
 Department of Psychology, Whitman College

1996-1999 Postdoctoral Research Scholar, Department of Psychology, Stanford University
 Sponsor: John D. E. Gabrieli

1993-1995 Instructor, Department of Psychology, California State University, San Bernardino

Education

1997 Ph.D., Claremont Graduate University
 Dissertation: *Illusions of Recognition in Young and Older Adult*; Advisor: Leah L. Light

1993 M.A., Psychology, Claremont Graduate University
 Advisor: Kathy Pezdek

1991 B.A., Psychology, with Great Distinction, San Jose State University

Research Interests

Memory, attention, and aging, particularly differentiations between conscious (explicit) and nonconscious (implicit) expressions of memory in young and healthy older adults; divided attention and its impact on memory encoding and retrieval processes; false memory and memory illusions, including memory distortion through misinformation.

Awards, Grants, and Honors

- Robert Y. Fluno Award for Distinguished Teaching in the Social Sciences, 2013
- Louis B. Perry Summer Faculty-Student Research Award, 2001; 2002; 2005; 2008; 2011; 2019; 2022
- Sally Ann Abshire Research Scholar Award, 2000; 2010; 2015
- National Research Service Award (NRSA), National Institute of Aging (NIA), 1996-1999
- Haynes Social Science Dissertation Award, 1995-1996
- Sigma Xi, 1992
- Phi Kappa Phi, 1991

Professional Memberships

- Association for Psychological Science, Member
- Psychonomic Society, Fellow
- Western Psychological Association, Member

Teaching Experience

- Cognitive Aging
- Cognitive Psychology
- Introductory Psychology
- Psychological Statistics
- Psychology of Aging
- Psychology of Food
- Research Methods in Psychology
- Seminar in Human Memory
- Seminar in Life-Span Development
- Senior Thesis
- What is Music?

Editorial Activities

2017: Co-editor (with Pietro Spataro), of special issue of *Frontiers in Psychology: Cognition*: “The role of the distinctions between identification/production and perceptual/conceptual processes in implicit memory: Findings from cognitive psychology, neuroscience and neuropsychology”

2021-present: Co-editor (with Pietro Spataro, Danielle Saraulli, Clelia Rossi-Arnaud), of special issue of *Frontiers in Psychology: Cognition*: “The Attentional Boost Effect and Related Phenomena: New insights Into the Relation Between Attention and Memory”

Workshops and Training

Cross-Disciplinary Learning and Teaching Initiative (CDLTI) workshop, Whitman College: *Did you hear what I heard?: A multi-divisional conversation about the production and perception of sounds* (led by Kurt Hoffman, spring 2011)

Cross-Disciplinary Learning and Teaching Initiative (CDLTI) workshop, Whitman College: *Cross-disciplinary analysis of brain, behavior and mind* (led by Chris Wallace, summer 2011)

Ad Hoc Reviewer

Journals:

- *Acta Psychologica*
- *Aging, Neuropsychology, and Cognition*
- *Anxiety, Stress, and Coping*
- *Consciousness and Cognition*
- *Cognition*
- *Cognitive Processing*
- *Experimental Aging Research*
- *Experimental Brain Research*
- *Frontiers in Psychology*
- *International Psychogeriatrics*
- *Journal of Alzheimer’s Disease*
- *Journal of Cognitive Neuroscience*
- *Journal of Experimental Psychology: Human Perception and Performance*
- *Journal of Experimental Psychology: Learning, Memory, and Cognition*
- *Journal of Memory and Language*

Academic Promotion:

- *American University of Kuwait*
- *Claremont McKenna College*
- *Mills College*

Publishers:

- *Worth Publishers (R. Revlin's textbook Cognition: Theory and Practice, 2013)*

Service to the College

- Curriculum Committee, member, 2016, 2021-present
- ASID Committee, member, 2018-2021
- Institutional Review Board (IRB), member and chair, 2013-2018
- Tenure-Track Faculty Search Committee, Department of Chemistry, member, 2017
- Search committee member, Systems and Applications Librarian, Penrose Library, 2014
- Admission and Financial Aid Committee, member, 2013
- Off-Campus Studies Committee, member, 2011-2012
- Web Page Evolution Group, member, 2011
- Beinecke Fellowship Committee, member or acting chair, 2007-2016
- Maxey Hall Renovation Committee, member, 2006-2009
- College Accreditation Steering Committee, member, Division I representative, 2005-2007
- Board of Review & Academic Council, member, 2003-2004
- Student Life Committee, member or chair, 2002-2003
- Academic Information Technology Advisory Group (AITAG), member or chair, 2002-2005; 2008-2011; 2013
- Tenure-Track Faculty Search Committee, Department of English, member, 2002-2003
- Whitman Undergraduate Conference Committee, member, 2002-2003
- Pre-Medical Advisory Committee, member, 2000-2001
- Tenure-Track Faculty Search Committee, Department of Biology, member, 2000-2001
- Tenure-Track Faculty Search Committee Department of Psychology, member (multiple years since 1999 for seven positions; chair for 2005-06, 2013-14, and 2018-19 searches)

Advising

- Undergraduate Thesis Advising
 - Senior thesis advisor for 77 students at Whitman College from 1999-present
- Graduate Thesis (Ph.D.) Advising
 - Outside examiner for Matt O'Brien, Ph.D., Psychology, Claremont Graduate University, March 2016

Conference Presentations & Abstracts (undergraduate students in boldface)

- Prull, M. W., **Dickey, K.**, **Jaramillo, B.**, & **Kronmeyer, K.** (2021, November). *The attentional boost effect increases inaccurate responses to general knowledge questions*. Poster presented at the 62nd annual meeting of the Psychonomics Society, online.
- Prull, M. W., **Liu, Y.**, **Higdon, S. A.**, & **Calo, Z. R.** (2019, November). *The attentional boost effect at retrieval creates false memories*. Poster presented at the 60th annual meeting of the Psychonomics Society, Montreal, Canada.
- Rossi-Arnaud, C., Prull, M. W., & Spataro, P. (2019, September). *On the vulnerability of the attentional boost effect in older adults*. Poster presented at the 21st meeting of the European Society for Cognitive Psychology (ESCoP), Tenerife, Spain.
- Prull, M. W. (2019, April). *Divided attention can enhance memory for young and older adults*. Paper presented at the annual meeting of the Western Psychological Association, Pasadena, CA.
- Prull, M. W. (2016). *The attentional boost effect for words in young and older adults*. Poster presented at the the biennial meeting of the Cognitive Aging Conference, Atlanta, GA.
- Prull, M. W. (2014). *Adult age differences in memory for schema-consistent and schema-inconsistent objects in a naturalistic setting*. Paper presented at the annual meeting of the Western Psychological Association, Portland, OR.
- Prull, M. W. (2013). *Attention and repetition priming in the verb generation task*. Poster presented at the 54th annual meeting of the Psychonomics Society, Toronto, Canada.
- Prull, M. W., & **Yockelson, M. B.** (2012). *Aging and the misinformation effect for context-consistent and context-inconsistent objects*. Poster presented at the biennial meeting of the Cognitive Aging Conference, Atlanta, GA.
- Prull, M. W., & **Yockelson, M. B.** (2011). *Adult age-related differences in the misinformation effect for schema-consistent and schema-inconsistent objects*. Poster presented at the 5th International Conference on Memory (ICOM5), York, England.

- Thapar, A., Zaring, J., Dautrich, D., & Prull, M. W. (2010). *Signal detection analysis of age differences in the revelation effect*. Poster presented at the 51st annual meeting of the Psychonomics Society, St. Louis, MO.
- Johnson, R. F., & Prull, M. W.** (2008). *The effect of Brain Age 2 on mental agility in the elderly*. Poster presented at the annual meeting of the Western Psychological Association, Irvine, CA.
- Prull, M. W., & Banks, W. P. (2004). *Seeing the light: A pinhole camera demonstration for teaching vision*. Poster presented at the 28th International Congress of Psychology, Beijing, China.
- Prull, M. W., & **Godard-Gross, C.** (2004). *How verb generation repetition priming in adulthood is influenced by age and response competition*. Poster presented at the 10th biennial Cognitive Aging Conference, Atlanta, GA.
- Prull, M. W. (2003). *Age differences in recollection and familiarity depend on which process dissociation method is used*. Poster presented at the annual meeting of the Western Psychological Association, Vancouver, BC, Canada.
- Prull, M. W., **Crandell, L. L., Martin, A. M., III, Backus, H. F., & Light, L. L.** (2003). Adult age differences in familiarity depend on which process estimation method is used. *Psychonomic Society Abstracts*, 8, 62.
- Rosen, A. C., Prull, M. W., Gabrieli, J. D. E., Staub, T., O'Hara, R., Friedman, L., Yesavage, J. A., & deToledo-Morrell, L. (2002). *Entorhinal volume correlates with mildly impaired verbal memory in older adults*. Poster presented at the 30th annual meeting of the International Neuropsychological Society, Toronto, Canada.
