To request a date for renting the Xbox 360, please fill out the following information and return the form to the Student Activities Office. You can either bring the form to Reid 202 or email it to Katharine Curles (curleske@whitman.edu).

You may also reserve a room in Reid Campus Center to use the Xbox equipment at no extra cost by speaking to Summer Singer in RCC 202. When you make your reservation, let her know that you would also like to reserve the Xbox 360 and which games/equipment you will need. You are still required to fill out a reservation request and submit it to the Student Activities Office, Reid 202.

Please note: Completing and submitting this form only constitutes a REQUEST for rental, it does not reserve the equipment. You will be notified promptly whether or not the machine is available on the day you are requesting it and we will confirm that the reservation is in place at that time.
