

International Employment: Europe

[Bilikent University School of English Language \(BUSEL\)](#) - 10-month contracts with BUSEL located in Ankara, Turkey, particularly well-suited for those interested in the teaching of English as a second language. Positions are paid and most include free housing in furnished apartments, plus the opportunity to progress in the field of teaching English through the certificate program and possibly a Master's degree.

[Cambridge English Language Teaching Association \(CELTA\)](#) - This is a widely recognized certification program for teaching English as a second or foreign language. Some CELTA centers provide work abroad contracts to those who successfully complete the training program.

[Central European Teaching Program \(CETP\)](#) - English-language teaching positions for ten or six months in Hungary. The program fee for one semester is \$1800 and for two semesters is \$2,500. Applicants must be a native speaker of English, have bachelor's degree, complete TESL or education course before departure, and must complete at least 20 hours of teaching experience before departure.

[Congress-Bundestag Youth Exchange for Young Professionals](#) - A year-long work/study scholarship program to Germany. Open to current students and graduating seniors, no prior German language skills are required. Program consists of 2 month intensive language instruction in Germany, 4 months of classroom instruction at a German university or vocational school, and a 5 month internship. Housing with a host family or in a student residence.

[European Department of Employment and Social Affairs](#) - The European Commission's Directorate-General for Employment, Social Affairs and Equal Opportunities works towards the creation of more and better jobs, an inclusive society and equal opportunities for all.

[Europlacement](#) - Search for paid and unpaid internships, work placements, traineeships, graduation assignments, and voluntary works in Europe, Asia, Africa, and Australia.

[International House Barcelona](#) - International House Barcelona was founded in 1972 and has since grown into a major centre for language teaching, teacher training, study tours and related activities. The site provides a portal to language and teaching jobs in Spain, as well as language instruction.

[Internationales Parlaments-Praktikum](#) - As Germany's parliament, the German Bundestag stands at the centre of the country's political life and is its supreme democratic organ of state.

[Overseas Jobs](#) - The Overseas Job Centre is mainly aimed at young Brits (though much of what we cover will be useful to other nationalities and age groups) keen to take the best chance of prolonged travel before 40+ solid years of slaving for the boss drains the life from them. We hope the information on this site is useful. We haven't conducted any market research or anything like that, but feel there is something here for both those looking to fix up work in advance and those who like to pick it up as they go.

[People Bank](#) - PeopleBank is the UK's most experienced provider of Talent Banking and Applicant Tracking Solutions. PeopleBank provides your company with its own customised e-Recruitment Solutions and Online CV Database, giving you a complete range of powerful tools to attract, manage and communicate with the most talented people available.

[Prospects Web](#) - Prospects is the UK's official website on graduate careers; it offers all kinds of career advice, business sector information, and post grad study opportunities.

[Russian and East European Institute, Indiana University](#) - REEI administers one of the country's leading programs in Russian and East European area studies.

[Teaching Assistant Program in France](#) - The French Ministry of Education has approximately 1500 positions available each year for Americans to teach in primary and secondary schools and teaching colleges in all parts of France. Participants must be US citizens or permanent residents, between 20 and 30 years old, be at least in your third year of college or have attained college degree, and be proficient in French.

[U.S. English Language Teaching Assistantship Program in Austria](#) - Since 1963, this program has allowed U.S. college graduates to work in secondary schools throughout Austria. Teaching assistants in Austria enhance the learning of the English language and teach about the “American way of life” in the Austrian classroom. This program is administered by the Austrian-American Educational Commission and requires a different application from the Fulbright English Teaching Assistantship Grants in Germany.
