O'Donnell Visiting Educators will have expertise in international business, diplomacy, social movements, environmental regulation, immigration, engineering, medicine, development, the arts or other areas involving international study. Offerings under this designation will be one to two week seminars for selected groups of students on topics that are approved by the O'Donnell Visiting Educator. These courses will be graded on a credit/no credit basis, and cannot be used to satisfy distribution requirements in any area. A student may repeat this course for no more than four total credits.
