

HEDS Survey of FTE Calculations and Undergraduate
Student:Faculty Ratios for Fall 2006

Prepared for: **Whitman College**
Respondent: **Neal Christopherson**
Date Prepared: **2/6/2007**

NCES UNITID: **237057**

FTE of Faculty

1. Number of full-time faculty reported to AAUP (regardless of number of courses taught or source of funds; include faculty on paid sabbatical, but not their replacements; exclude deans and research faculty). [Note: This excludes faculty in schools of medicine, veterinary science, etc.]

2. Number of full-time faculty reported in line 1 in schools with ONLY graduate or professional students (e.g. Law, Divinity, Dentistry; possibly Business, Education, Nursing, etc.).

All figures reported in lines 3 through 27 should include only those schools enrolling undergraduate students whether or not these schools also enroll graduate students (see note below).

3. Number of full-time faculty potentially teaching undergraduates* (line 1 minus line 2).

4. Number of full-time faculty on paid sabbatical included in line 3.

5. Number of net full-time faculty (line 3 minus line 4).

6. Number of other full-time undergraduate instructional staff. Include temporary faculty hired to replace those on sabbatical.*

7. Number of full-time faculty potentially teaching undergraduates (line 5 plus line 6).*

8. Number of part-time faculty in schools with undergraduates* (exclude graduate teaching assistants). These should be the same schools as in line 3.

9. FTE of part-time faculty in line 8.

--- Optional Information ---	
Check "X" the computation option employed in calculating the FTE reported in line 9. Choose ONE:	"X"
Determined by teaching load of faculty in line 8	<input type="checkbox"/>
Determined by Dean	<input type="checkbox"/>
Line 8 headcount ÷	<input type="checkbox"/>
Other method (please specify below)	<input type="checkbox"/>
<input type="text"/>	

10. Total FTE of faculty teaching undergraduates* (line 7 plus line 9).

11. Please list below all schools represented in line 3 (e.g. Arts & Sciences, Engineering, etc.).

HEDS Survey of FTE Calculations and Undergraduate
Student:Faculty Ratios for Fall 2006

FTE of STUDENTS in SCHOOLS ENROLLING UNDERGRADUATES

(Include only those students enrolled in schools represented by faculty counted in line 3; exclude non-credit students and students studying off campus or abroad.)

UNDERGRADUATE STUDENTS:

- 12. Number of all full-time students
- 13. Number of all part-time students
- 14. FTE of all part-time*
- 15. Total FTE of all undergraduates (line 12 plus line 14)**

Degree Seeking	Non-Degree Seeking
1401	4
20	30
9.47	9.33
1410.47	13.33

GRADUATE STUDENTS:

- 16. Number of full-time graduate students
- 17. Number of Dissertation/Theses only students included in line 16.
- 18. Number of full-time graduate students excluding Dissertation/Theses only students (line 16 - line 17)
- 19. Number of part-time graduate students
- 20. Number of Dissertation/Theses only students included in line 19.
- 21. Number of part-time graduate students excluding Dissertation/Theses only students (line 19 - line 20)
- 22. FTE of part-time graduate students in line 21*
- 23. Total FTE of all graduate students (line 18 plus line 22)**

Degree Seeking	Non-Degree Seeking
0	0
0	0
0	0

UNCLASSIFIED STUDENTS:

(not included as undergraduates or graduates above)

- 24. Number of full-time students not included above
- 25. Number of part-time students not included above
- 26. FTE of part-time students*
- 27. Total FTE of all unclassified students (line 24 + line 26)**

Degree Seeking	Non-Degree Seeking
0	0

* What method was used to calculate student FTE numbers in completing this survey?

Total Credits taken by part-time students divided by 15.

Institution: *Whitman College*
