**Jewett Hall and Lyman House
Car Unloading Instructions**

If you are a new student moving into Jewett or Lyman on opening day, we ask that you enter to unload via University Street. Where University Street connects with Stanton Street, you will be met by a Whitman employee who will direct you to the most convenient unloading zone for each hall. If traveling on Boyer Avenue you will want to turn on Clinton Street to access University Street. If traveling on Issacs Street, you may turn on either Clinton Street or Fulton Street to access University Street.

Thank you!

As soon as your vehicle is unloaded, you will be asked to relocate your vehicle so that other vehicles can pull up and unload. There is a parking lot west of the Science Building as well as behind Reid Campus Center. You are also welcome to park on the public streets around the campus.
