Understanding Your Benefits

**Accelerated Death Benefit**

Accelerated Death Benefit provides an option to be paid a portion of your life insurance benefit when diagnosed as terminally ill (as defined in the policy). The death benefit will be reduced by the amount withdrawn. To qualify, you must be covered under this policy for the amount of time defined by the policy.

**AD&D**

Accidental Death and Dismemberment (AD&D) insurance provides specified benefits for a covered accidental bodily injury that directly causes death or dismemberment (e.g., the loss of a hand, foot, or eye), subject to policy limitations.

**Conversion**

If you terminate your employment or become ineligible for this coverage, you have the option to convert all or part of the amount of coverage in force to an individual life policy on the date of termination without Evidence of Insurability. Conversion election normally must be made within 31 days of your date of termination.

**Continuation of Coverage**

If coverage has been in force for at least 12 months, you may continue your coverage for a specified period of time after your employment by paying the required premium. Continuation of coverage is available if you cease employment for a reason other than sickness, injury, or retirement.

**Guarantee Issue**

For timely entrants enrolled within 31 days of becoming eligible, the Guarantee Issue amount is available without providing Evidence of Insurability. Evidence of Insurability will be required for any amounts above this, for late enrollees or increases in insurance, and it will be provided at your own expense.

**Seatbelt Benefit – Air Bag Benefit - Common Carrier Benefit**

If you die as a result of a covered auto accident while wearing a seat belt or in a vehicle equipped with an airbag, additional benefits are payable up to $10,000 or 10% of the principal sum, whichever is less. If loss occurs due to an accident while riding as a passenger in a common carrier, benefits will be double the amount that would otherwise apply as outlined in the certificate.

**Limited Activity**

A period when a Spouse/Domestic Partner or dependent is confined in a health care facility; or, whether confined or not, is unable to perform the regular and usual activities of a healthy person of the same age and sex.

**Term Life**

A death benefit is paid to the designated beneficiary upon the death of the insured. Coverage is provided for the time period that you are eligible and premium is paid. There is no cash value associated with this product.

**Additional Benefits**

- **LifeKeys℠**
  
  Online will & testament preparation service, identity theft resources and beneficiary assistance support for all employees and eligible dependents covered under the Group Term Life and/or AD&D policy.

- **TravelConnect℠**
