

Academic Affairs Staff Core Values

Our shared commitment as Academic Affairs staff is to **support and contribute to the culture of learning at Whitman College.**

In that capacity, we strive for and expect a **supportive, collaborative, and student-centered environment.**

Respect

Integrity

Belonging

- We strive to create an inclusive, welcoming, and positive work environment that enables a sense of belonging.
- We recognize and respect the uniqueness of each member of the Whitman community.
- We practice transparent and open communication; we contribute to the team and encourage others.
- We hold ourselves and our team to high standards, with expectations of accountability and excellence.
- We encourage opportunities for professional development and personal growth.
