Auditing Student Application

Instructions and Information

The status of Auditor at Whitman College is defined as a student enrolling in a course for which they will receive no credit. The student and the professor should come to an understanding about assignments that will be completed and if or how they will be graded and the Registrar’s Office will confirm that those requirements have been completed prior to the grading period each semester. If the student has met the requirements the class will show on their Whitman transcript with an “AU” grade. If the requirements are not met the class will be dropped from their transcript prior to grading. The “AU” grade will not calculate into the Whitman grade point average.

The steps to being admitted as an Auditor are as follows:

1. Complete the application below.
2. Secure permission to audit the course from the instructor.
3. Submit the form to the Registrar’s Office, Memorial 212. If you are a full-time student there will be no additional charge. If you are not enrolled full-time you will be charged the auditor’s rate per credit listed in the College catalog.

Admission as an Auditor is valid only for the time specified to complete the listed course. If you wish audit another course a new form must be completed and submitted to the Registrar’s Office.
