A dialogue box will display asking why you need to take the course (major, distribution, etc.), an option to allow the instructor to view your schedule, and a place for you to provide any additional information you would like the instructor to know on why you want to take the course. Once you fill out the box, click the “Add me to…” button to be added to the waitlist. Note that only the “Needed for” is required.

  o Course Prerequisites Incomplete – contact the instructor for electronic course consent. Once you have that consent, contact the Registrar’s Office to have the course added.

  o Conflicting Courses - submit a Course Conflict Resolution Form, signed by the instructors of both conflicting courses, to the Registrar’s Office to add the courses.
  o Need Assistance – contact the Registrar’s Office through a Live Chat option located in the lower right corner of your screen. Not available during First Year registration.
