

Arrival and Unloading Map for Anderson and Prentiss Halls

If you are a new student moving into Anderson or Prentiss on opening day, we ask that you enter the parking lot on S. Park Street via the south entrance, drive through the parking lot, exiting via the north entrance. As you arrive, you will be met by a Whitman employee who will direct you, asking you to pull into a parking space and unload your vehicle onto the sidewalk.

As soon as your vehicle is unloaded, you will be asked to relocate your vehicle so that other vehicles can pull in and unload. There is a parking lot west of the Science Building as well as behind the Reid Campus Center. You are also welcome to park on the public streets around the campus.

Thank You!
