## **APPLICANT CONSENT AND WAIVER FORM**

By my signature below, I acknowledge that my reputation and the reputation of the College can benefit from the manner in which I represent myself and Whitman College through the fellowship, scholarship and grant application process and through any award that results from that process. I will do everything in my control to safeguard my good name and that of Whitman College throughout the award competition.

1) As required under the Family Educational Rights and Privacy Act, or FERPA, I hereby grant permission for my grade point average (GPA), transcripts and course work to be shared and discussed as a part of faculty and institutional letters of recommendation, endorsements and applications for all award competitions, internal (Whitman) and external (national selection committees). I also give permission for the Office of Fellowships and Grants to request unofficial and official copies of my transcript(s) as needed for the application process.

2) I waive my right to view faculty and institutional letters of recommendation or endorsement written for my applications. I understand that copies of these letters may be provided to me by the authors, but that this gesture is an independent courtesy extended by the author and does not affect this waiver.

3) I grant permission for Whitman College to use my biographical information to publicize my nomination and/or receipt of any fellowship, scholarship or grant. I also agree to allow the Office of Fellowships and Grants to retain indefinitely a copy of my applications and all supporting materials. I understand that my applications and supplementary materials (excluding transcripts) may be made available to future applicants as examples in preparation of their own applications for fellowships, scholarships and grants. At my request, my name will be redacted from my applications and supplementary materials.

4) I certify that all of the information I include in my applications, including listings of activities and awards, research undertaken or planned, and personal statements and other essays, are my own work and are accurate and honest to the best of my knowledge.

5) I give permission to the Whitman College Registrar or her designees to release to the Office of Fellowships and Grants all information pertaining to academic honesty and violation of conduct policies. The Registrar may also provide contextual information about the severity of these offenses. This information may be shared in verbal or written form.

This consent will remain in effect until revoked by me by written letter to the Office of Fellowships and Grants. Such revocation will not affect disclosures made prior to this action.
