Coronavirus News

There were two new coronavirus cases reported in Walla Walla County in the last 24 hours bringing the total to seven confirmed cases. One patient has recovered. There have been no coronavirus-related deaths reported in Walla Walla County.

The U.S. has more confirmed coronavirus cases than any other country and as of this morning, there have been at least 3,900 virus-related deaths in the U.S. But stay-at-home measures are working. The U.S. Surgeon General says "aggressive mitigation" is helping Washington and California "flatten their curve."

Campus Resources

Printing On Campus: Since academic buildings are closed affecting access to printers, the Whitman College Print Shop will be fulfilling your printing needs. If you need something printed Monday through Friday, [fill out this form](#) before noon and choose a pickup time between 2 p.m. and 4 p.m. that same day. If your print request is received after noon, your order will be available on the following business day. Printing will not be available on the weekends. Pick up will happen at Boyer House (34 Boyer Ave., next to the GAC, and across from the Walla Walla Sub Shop). Please enter through the front doors, pick up your printing and exit immediately. [We also ask that you keep social distancing protocols in mind.](#)

Online Learning Tips and Tools

Practice Online Class Etiquette: You can help make online classes a good experience for yourself and your classmates by following good etiquette. Here are some tips:

- Be in a quiet space, both in terms of noise, interruption and environments where the background won't distract others.
- Always wear headphones — they prevent echoes and electronic noise. Mute your mic as soon as you join a class session. Un-mute your mic when you will speak.
- Wait until someone is completely done speaking before speaking yourself.
- Follow your professor's lead to know when you should speak and/or use the Chat box.
