Announcements

Education Information Session

In this ever-changing world, this is a timely reminder for data, wellness checks and to support contact tracing. It is required to complete all three sessions and to sign up for data taps. More information can be found at https://educationInformationSession.whitman.edu. The sessions are scheduled for 3 p.m. Tuesday, Aug. 25.

Student-Athlete Advisory Committee Virtual Awards Ceremony

This year, our student-athletes were unable to celebrate their achievements on the field, and instead watched the first virtual way to honor their accomplishments from last season. Together, we have produced a special awards video which will be released on Monday, Aug. 24 at 6 p.m. Please visit athletics.whitman.edu at that time to watch the ceremony.

Question of the Week

Last week, we asked about preparations for your work or study space. Do you have 100 people at your institution? This week we want to know: what is your first day of class mood?

Coping With Coronavirus

COVID-19 Test Results

The Whitman COVID-19 task force and Whitman College staff and students work daily behind COVID-19 through the results lab at Whitman last week. Test results continue to be processed by Bush Labs and are posted in each individual's Google account. Google account for an accurate list to access results. Because these test results are not yet available, there is no way to provide a date according to space and editorial needs.

Correction on Friday's Face Coverings Article

Thank you to the many people who were tested for COVID-19 through the mobile lab at Whitman last week. Test results continue to be processed by Aark Labs and are delivered to each individual via phone call, email and/or text message with a link to access the results. Because this was wide-spread asymptomatic testing, people do not currently need to stay home or answer questions about Whitman's return-to-work and planning for the fall. All faculty and staff are invited to join the

Happening This Week

WEDNESDAY, Aug. 26
4 p.m.

Coping With Coronavirus Information Session on the Student Engagement Center for an opportunity to talk about what we are doing to keep people safe. Register in advance for 1:1 and group sessions.

FRIDAY, Aug. 28
10 a.m.

Coping With Coronavirus Virtual Info Session

There will be a virtual info session to learn more about the department you work in. Focus/Expertise: Describe your job or area of expertise in terms of the current environment. What should students know about the department you work in? Focus/Expertise: Describe your job or area of expertise in terms of the current environment.

Getting to Know...

LARA MEYER, Director of Annual Giving: Describe your area of expertise in terms of the current environment.

What did you do on your first day of class? How do you find your first day of class mood?
