A: Here are signs that it's time to replace your cloth face mask:

- You've washed a mask more than 30 times.
- The straps are worn out or don't stay tight.
- The t is no longer snug.
- There are exposed threads, tears or holes.

Instructions.

Q: I'm back to wearing face masks when I'm indoors, but later date according to space and editorial needs. By submitting to Whitman Today you also authorize use on Whitman's social media unless otherwise specified.
