Coronavirus News

There were four new positive coronavirus tests in Walla Walla County in the last 24 hours. So far there have been 92 confirmed cases in the county.

According to the World Health Organization, 108 potential COVID-19 vaccines are in development around the world. Eight of the potential vaccines have been approved for clinical trials.

More than 100 Washington state parks open today for day use as part of phase one of Gov. Jay Inslee’s effort to restart the state. Barbershops, hair salons, professional services and some in-store retail purchases could resume June 1, according to state Secretary of Health John Wiesman. Those businesses are part of phase two in the four-phase gradual reopening plan for the state.
