Holiday Travels and Gatherings

As a reminder, Washington is in Phase 2 of the Safe Start Plan, which limits us to essential travel only. For this reason, we encourage students to restrict non-essential travel over the next few weeks. In-person gatherings are limited to 25 people indoors and 50 people outdoors and all gathering limits do not apply to those in the same household. If your plans change, please let us know.

Also, if you are hosting a gathering this month, please let us know! A reminder that the Whitman Dean of Students and other members of the Whitman community will be in contact with all students and their families in the upcoming week to ensure that all plans are still on track for students who are not in Walla Walla for Thanksgiving.

Announcements

We’ve heard your concerns about travel and we want to help you do so safely and with extended planning. The information we are now updating daily through Friday at 11:30 a.m. and 3 p.m. will be updated:

- by phone: 509-527-6700
- by email: helpdesk@whitman.edu
- by chat: support.whitman.edu

You can also explore self-help articles on our knowledge base, which includes topics ranging from finding family support during a pandemic to virtual events.

Financial Sustainability Review Working Groups

President Murray is pleased to announce the members of the working groups appointed to develop a plan for the long-term Financial Sustainability of Whitman, including the development of fundraising and internal piling programs that build enrollment and revenue, as well as support Whitman’s mission and work.

These teams are comprised of students, faculty, staff, and alumni, who will provide input on financial sustainability and help the college achieve a sustainable financial footing through more efficient spending and a stronger fundraising and internal revenue programs. For all working groups’ information and help, we encourage students, faculty, and alumni to visit whitman.edu/financial-review.

The more people vaccinated, the more people protected

Getting the flu vaccine is more important than ever as we work to keep our families, friends and communities healthy this winter.

WCTS student health center has free flu shots available for employees and students, including the high dosage vaccination for people age 65 and over.

Make an appointment to get your flu shot by calling the health center at 509-527-8296.

Campus and Community Health

WCTS Helpdesk

- by email: support.whitman.edu

You can also explore self-help articles on our knowledge base, which includes topics ranging from finding family support during a pandemic to virtual events.

Question of the Week

This week we want to know: Who inspires you? Let us know of current students, faculty, staff, and alumni that are doing good things so that we can encourage our community.

Whitman College
