## Family Weekend

This weekend, we're pleased that students are able to welcome their parents and other family members to Whitman for an in-person Family Weekend. As with all on-campus events, visitors must show proof of being fully vaccinated against COVID-19 and must wear masks when in public spaces or indoor group settings.

Whether you have family in town or not this weekend, there are plenty of opportunities to get in on some fun! Here's a small taste of what's happening this weekend:

### Whitman Sampler

Enjoy some of Whitman's talented student ensembles conducted by brilliant faculty members in Cordiner Hall. This concert will feature the Whitman Orchestra, Jazz Ensemble, Wind Ensemble, Chorale and Chamber Singers. Beginning at 7 p.m. on Friday, this concert is limited to 500 in-person attendees and can also be watched online at [live.whitman.edu](https://live.whitman.edu).

### WEB Halloween Pumpkin Carving

Come join the Whitman Events Board this Saturday from 2-4 p.m. to carve pumpkins. Bring your friends and family to enjoy some Halloween festive fun!

Pumpkins, carving tools and candy will be provided. Carving will take place in Stanton Field, with Cleveland Commons as a back-up in case of rain.

### SpeakEasy Concert

The SpeakEasy concert is an annual fundraiser held by the SOS volunteer club in collaboration with Whitman's a cappella groups to benefit SOS Health Services, a clinic that provides free healthcare to the under- or uninsured population in our community. This event at 8 p.m. Saturday in Cordiner will feature all of the talented a cappella groups on campus and all proceeds will be donated directly to the clinic.

## Cleve Climate Convos with ASWC Sustainability

ASWC Sustainability Committee knows that you have some amazing ideas about climate-related issues. We are incredibly excited to introduce Cleve Climate Convos, where you can come eat with the sustainability committee and talk about weekly climate news—and what you can do about it.

Come share ideas about everything from advances in climate change mitigation technologies to a climate activist gatecrashing a Louis Vuitton fashion show! Come with an open mind, and leave with new ideas on how to improve the world around you. Tuesdays from 5-7 p.m. in/outside Cleveland. Follow [@whitty\\_sustainability](https://twitter.com/whitty_sustainability) on Instagram for updates.
