**Meet Your New Student Career Advisors!**

The Whitman College Student Career Services office warmly welcomes a new cohort of Student Career Advisors (SCAs) for the 2021-22 academic year. These advisors will provide support and guidance to students as they explore career possibilities, make career decisions, conduct job searches, and plan internships. They will work closely with students to identify career goals and develop strategies to achieve those goals.

**Tech Tip: Undo Send in Gmail**

If you have ever hit “send” on an email only to immediately realize some mistake or have second thoughts about the content, you can undo the sending of that email. To do this, go to the General Settings page of your Gmail account. Find the “Undo Send” section and set a cancellation period of between 5 and 30 seconds. Then, whenever you have sent an email, you will have an opportunity to stop the sending of that email.
