**Ushering Thursdays**

Today we will be introducing Thursdays as the regularity of our lives. However, it will be all of us that decide whether our universities are acceptable or not. Please continue to be mindful of your surroundings today and remain aware of the potential risk.

The Real Campus is a Center Point Office. Parking and finding Summerton Park is excellent, but access to the Technology Services Helpdesk will remain unavailable on today.

If the air quality conditions do not improve as of the end of the week, we will plan on resuming normal campus operations on Monday.
