The CARE Team is an interdisciplinary, cross-campus group of professionals whose role is to:?

- Assess, intervene, and provide brief, on-the-spot support for students with concerns about behavior.
- Determine and refer students who might benefit from a referral to a social worker.
- Provide advice to faculty, staff, or students on community concerns, to discuss student behavior in a non-disciplinary context.

The CARE Team is comprised of:
- Faculty
- Staff
- Student

The CARE Team is a multi-disciplinary group of professionals who work together to assess and respond to behaviors that may be concerning for the campus community. This team assists with the identification and intervention of behaviors that may be concerning for the campus community. This team assists with the identification and intervention of behaviors that may be concerning for the campus community.
