Support and Reporting Options for Persons who have Experienced
Sex- or Gender-Based Discrimination, Harrassment, or Violence

Please be aware of the following:

- You can speak with anyone at any time.
- Reporting is always an option.
- A report will not necessarily lead to an investigation.
- Choosing one route does not exclude other options; survivors should persue
  whatever routes will be the most helpful to recovery.
- Resources are available to you no matter which option you choose
