

WHITMAN COLLEGE

HIRING GUIDE FOR TEMPORARY STAFF

Definition: Temporary staff members

Temporary staff members work part-time or full-time, generally for a fixed duration. They are not usually regular employees of the College. A temporary staff member may be hired with or without a predetermined termination date, but the period of employment will usually not exceed six months.

The majority of temporary staff members are hired directly and payrolled by the College. On occasion, the College secures temporary staff members from a temp staffing agency. In that instance, the temporary staff members are employed and paid by the agency, and the hiring department of the College (not Human Resources) is assessed a fee over and above the value of the employee's compensation.

Note: Hiring managers should consult Human Resources if they wish to hire current College employees for temporary assignments.

Prior to hiring the employee, Hiring Managers should:

1. Ensure that you have approved funding for hiring a temporary staff position.
2. Develop a position description and a process for how you will evaluate and select applicants.
3. Extend an offer to a candidate and make them aware that your offer is contingent on satisfactory background check. Additionally, certain positions will require satisfactory results from a pre-employment physical.

Prior to employee start date, Hiring Managers should:

1. Complete the Temporary Hiring Notice Form (located at the end of this guide).
2. Contact Krista Garcia at (509) 527 – 5172 to initiate a criminal background check if the temporary staff member will work longer than three days. Human Resources will pay for this background check. Washington state law (43.43.830-.842) requires criminal background checks and conviction disclosure statements for all staff, faculty, temporary, and volunteer hires whose work has the potential for unsupervised access to minors under age 16, developmentally disabled, or vulnerable adults.
3. Contact Krista Garcia to initiate a pre-employment physical exam (if applicable). Human Resources will pay for this physical exam.
4. After Human Resources receives notification of a successful background check and physical examination, the hiring manager will receive the position code, Whitman ID number, and time sheet.
5. Once all of the above steps have been completed, the Hiring Manager should contact Krista Garcia to make an appointment for the Temporary Staff member to meet with her at the beginning of the first day of employment.

On the first day of employment, the Temporary Staff member should visit Human Resources to complete employment forms, all of which can be found on the Human Resources website at <https://www.whitman.edu/human-resources/forms>.

1. Complete the I-9 Form. Note that the employee will need to bring a passport or a driver's license and social security card with them to Human Resources. Other acceptable forms of identification can be found on the US Citizenship and Immigration Services website at <https://www.uscis.gov/i-9>.
2. Complete the W-4 Form.
3. Complete the Direct Deposit Form. Note that employees will need their bank account and routing numbers.

At the conclusion of employment, the Hiring Manager should:

1. Notify Human Resources of the Temporary Staff member's last day of employment. For temporary staff members who have not received a pay check in one year, HR will automatically terminated their positions.
2. Collect from the Temporary Staff member their final time sheet and submit to Payroll.
3. Retrieve from the temporary staff member their Whitman ID Card (if applicable), College keys, credit card, etc.
