Who are the Teladoc doctors?	Teladoc doctors are U.S. board certified in Internal Medicine, Family Practice, or Pediatrics. Question

Answer

How do I request a consult to talk to a doctor?

Visit **teladoc.com/premera**, log into your account and click “Request a Consult.” You can also call Teladoc to request a consult by phone or mobile app.

How quickly can I talk to the doctor?

A doctor will call you back within 10 minutes, on average. If you miss the doctor’s call, whether you are away from the phone or you have anonymous call blocker on, you will be returned to the bottom of the waiting list. The consult request is canceled if you miss three calls.

Can I provide consult information to my regular doctor?

Yes. You have access to your electronic medical record at any time. Download a copy online from your account or call Teladoc and ask to have your medical record mailed or faxed to you.

How much will I pay for a Teladoc consult?

You will pay your standard in-network office visit cost shares (copay or deductible and coinsurance).

Is the consult fee the same price, regardless of the time?

Yes! Teladoc charges one flat rate per consult based on your standard in-network office visit cost shares (copay or deductible and coinsurance).

How do I pay for the consult?

You may pay with your HSA (Health Savings Account) card, credit card, prepaid debit card, or by PayPal.

Can Teladoc doctors write a prescription?

Teladoc doctors can prescribe short-term medication for a wide range of conditions when medically appropriate. Teladoc doctors do not prescribe DEA controlled substances, non-therapeutic drugs, and certain other drugs that may be harmful because of their potential for abuse.

How do I pay for a prescription called in by Teladoc?

When you go to your pharmacy to pick up the prescription, you may use your health/prescription insurance card to help pay for the medication. You will be responsible for the copay based on the type of medication and your plan benefits.

If the Teladoc doctor recommends that I see my primary care physician or a specialist, do I still have to pay the Teladoc consult fee?

Yes. Just like any doctor appointment, you must pay for the consulting doctor’s time.

Teladoc® is an independent company that provides virtual medical care services on behalf of Premera Blue Cross. Teladoc does not guarantee that a prescription will be written. Teladoc physicians reserve the right to deny care for potential misuse of services.
