* Numbers for community service participation are estimates. Many Whitman students do volunteer work without formally going through our Center for Community Service.

*As of 2013-14, community service is being reported for the previous year, rather than making estimates for the current year.

** There are many more established student clubs that do not go through the ASWC recognition process and we don't have a good way of keeping track of them. These groups include the a capella choirs, Whitman Investment Club, and some religious groups.
