2017 SUMMER FIELD COURSE APPLICATION

ESSAYS

Please type your response to the following essay question on a separate page. Your response should be no more than one double-spaced page in length.

1. How does the Pollination Biology course during the summer 2017 fit into your academic program at Whitman and/or your long-term professional or personal goals?
2. Please describe what you anticipate as being the most challenging during participation on the Pollination Biology in Sweden course, and what experiences you have had to date that may help you meet those challenges.

RECORDS RELEASE

1. I give permission to the Whitman Registrar to release my transcript and Academic Evaluation to Off-Campus Studies and to the trip leaders for the purposes of this application.
2. I understand that the application process for this field course involves review of my records with the Dean of Students at Whitman College, including disciplinary record, and I grant permission to the Dean of Students to release that information to Off-Campus Studies at Whitman and to the trip leaders.

2017 SUMMER FIELD COURSE APPLICATION

FINANCIAL AID APPLICATION

Students with financial need are strongly encouraged to apply for funding, as a substantial amount of need-based scholarship assistance is available through Whitman Crossroads funding. Both partial and full scholarships are available.

Additional Information

- In order to help us determine your financial need for participating on the Whitman Crossroads Pollination Biology 2017 Summer Course, please add any additional information about your financial situation on a separate sheet of paper and attach it to this application.

This portion to be completed by the student

I give permission to Whitman Financial Aid Services to release my financial aid information for the purposes of assessing my scholarship eligibility. Scholarships for the course will be based on financial need and merit.
