A MESSAGE TO THE CLASS OF 2025 FROM THE PRESIDENT

Dear Graduates,

Congratulations on reaching this incredible milestone—your commencement, the 139th Commencement Ceremony of Whitman College. You made it!

As you embark on the next chapter, I want to celebrate your dedication, passion and resilience. You persevered through high school years interrupted by a global pandemic that challenged many of the assumptions about how education happens. In fact, many of you took the opportunity for a gap year between high school and college, and as a result, we are now celebrating one of the largest graduating classes in recent Whitman history.

When you arrived on campus, you arrived ready to learn, to challenge yourselves, and to grow. During your four years, you've written, researched and performed. You have volunteered, interned, and engaged with the Walla Walla community and the global community. You have identified your passions and have gained the skills to continue to pursue those passions into the future. You embody the power of a liberal arts education—engaging deeply and thinking critically, displaying intellectual curiosity and social responsibility. These values have guided you through the past four years and will continue to guide you in the years ahead.

The world is facing significant challenges—ones that call for leaders who are committed to making a positive difference and who know how to bring people together to make it happen. You have what it takes to be those leaders. You have the skills, the knowledge and the passion to build a more inclusive and compassionate world, and I am confident that you will do so.

And even though your time on Whitman's campus is coming to a close, the support you have received throughout your years at Whitman does not end with commencement. You will always be part of this community of educators, mentors, classmates, family and friends who have guided and encouraged you along the way. You are also joining a community of alumni who have gone before you and who are eager to support you as you begin your life after Whitman—as you join a global community of Whitties who share your commitment to making the world a better place.

I wish you great joy on your journey ahead. Congratulations, Class of 2025!

CLASS SPEAKER

José Manuel Silva '25

José Silva grew up right here in Walla Walla and is graduating with a bachelor's degree in Sociology and minors in Psychology and Politics. While at Whitman, he was involved locally in the community and was a two-time recipient of the Whitman Internship Grant, interning at an immigration law firm in town. He also spent a semester in Washington, D.C., as an intern at a nonprofit organization working with underrepresented communities. Outside of Whitman, Silva spends his time volunteering and finding resources for immigrant communities. After Whitman, he plans to pursue a career in law and social work.

DISTINGUISHED TEACHING AWARD

This award recognizes an outstanding elementary or secondary school teacher who has had a significant influence on a graduating senior, including encouraging an interest in learning, fostering skills and interest in a specific field or discipline, and contributing to the student's preparation for college.

Ellie Kaleonahenahe Hatsue Toguchi-Tani '25

Nominating Student

Kaleo Toguchi-Tani is a fourth-generation Uchinānchu from Kailua, Hawai'i, and is graduating with a degree in Physics-Astronomy and a minor in Data Science. She served as Vice President of Education and Vice President of Administration for Kappa Alpha Theta and was an active Astronomy student, working as a laboratory assistant for three years and assisting with stargazing events. She was honored as a Barry M. Goldwater Scholar in 2024 for her extensive research involvement, having built connections with institutions across the country through two National Science Foundation Research Experiences for Undergraduates at the University of Hawai'i at Mānoa Institute for Astronomy and Texas Christian University. Kaleo will begin her doctorate in Astronomy at the University of Texas at Austin, where she plans to continue advocating for Native Hawaiian perspectives in astronomy.

Ira Wong

Distinguished Teaching Award Recipient

Ira Wong recently completed his 30th year as Director of Bands at the University Laboratory School in Honolulu, Hawai'i, where he teaches concert band to students in grades 6-12. Prior to his tenure at the University Laboratory School, Wong taught at Moanalua High School, where he directed the Symphonic Band, Concert Choir and Jazz Ensemble. Wong has also performed as a drummer and percussionist in a wide variety of musical settings for 40-plus years with ensembles including the Hawaii Symphony, Royal Hawaiian Band and other artists and organizations in the Honolulu area. A prolific arranger, Wong's musical arrangements for wind band and jazz ensemble have been performed by student and professional ensembles across the country. His work as performer and arranger has also been featured on American Public Media's "Performance Today."

COMMENCEMENT SPEAKER INTRODUCTION

Henry Julius Roller '25

Henry Roller is from Seattle, Washington, and is graduating with a degree in Biology and Environmental Studies with a minor in Sociology. For two summers, Henry worked for the Idaho Department of Fish and Game collecting data on salmon populations via snorkeling and electrofishing surveys. He co-founded and is the President of the Salmon Conservation Club at Whitman and served on the planning committees for the Salmon Film Festival and First Foods Festival, sponsored by the Office of Native American Outreach. Henry ran with Whitman's cross country and distance track team for four years. He looks forward to monitoring salmon populations in Alaska with the Alaska Department of Fish and Game.

COMMENCEMENT SPEAKER AND HONORARY DEGREE RECIPIENT

Charles (Chuck) F. Sams III

Chuck Sams is a distinguished conservationist, a public leader and a member of the Confederated Tribes of the Umatilla Indian Reservation (CTUIR) with Walla Walla and Cayuse ancestry. He served as Director of the National Park Service from December 2021 to January 2025 as the first Native American appointed to lead the 433 sites of the National Park Service, which include 85 million acres of national parks, monuments, memorials and other crucial protected areas across the United States.

Throughout a career that includes directorships at regional and national organizations including the CTUIR, the Earth Conservation Corps and the Tribal & Native Lands Program of the Trust for Public Land, Sams has been recognized for building trust and collaborations between tribal nations and the federal government. During his tenure directing the National Park Service, the land units co-stewarded by tribal communities more than quadrupled, promoting the use of Indigenous knowledge to improve understanding of the natural world.

Prior to being nominated to serve at the National Park Service, Sams was serving as a representative on the Northwest Power and Conservation Council, which seeks to ensure an affordable and reliable energy system while enhancing fish and wildlife in the Columbia River Basin. In February, Sams was nominated by Oregon Governor Tina Kotek to return to the Northwest Power and Conservation Council.

Sams grew up on the Umatilla Indian Reservation in northeast Oregon. He earned a Master of Legal Studies degree in Indigenous Peoples Law from the University of Oklahoma School of Law and a Bachelor of Science degree in Business Administration, Management, Communications and Leadership from Concordia University. He also graduated from the U.S. Navy/Marine Corps Intelligence Training Center “A” School, serving as an intelligence specialist to satisfy a treaty obligation to protect the United States.

Now living with his family in Pendleton, Oregon, Sams is no stranger to the Whitman College community. He spoke during the Home in Páŕŕapa session of Whitman’s New Student Orientation for several years, introducing first-year and transfer students to the history of regional tribes and the college. In Spring 2020, he co-taught an Indigenous Politics course that included students from Whitman and the CTUIR. He was also instrumental in building the relationships that led to the development of Whitman’s first Memorandum of Agreement with the CTUIR.

GRADUATES ELECTED TO PHI BETA KAPPA

Election to Phi Beta Kappa is based on evidence of broad cultural interest and scholarly achievement in the liberal arts and sciences. Students may be named to Phi Beta Kappa as juniors or seniors. Installed in 1920, Whitman's chapter of Phi Beta Kappa is the second oldest in the Pacific Northwest. Fewer than 10% of all colleges and universities in the country have been awarded Phi Beta Kappa chapters.

CLASS BANNER DESIGNER

Hali Ruth Kinney Lindgren '25

Hali Lindgren is a Psychology major from Austin, Texas. During her time at Whitman, she was actively engaged on campus as a leader for the Outdoor Program, Assistant Manager and Instructor at the Climbing Gym, Social Media Manager for the Whitman Outdoor Journal, Team Manager and student-athlete for Whitman lacrosse, and Vice President of Communications for Delta Gamma. She would like to thank her parents, family, friends, teammates and coaches for their continued support and encouraging her to try new things throughout her time at Whitman and beyond.

SENIOR FUND CHAIRS

Rocío Josephine Ackerberg Martel Lybarger-Yanes '25

Senior Fund Events Chair

Rocío Josephine Lybarger-Yanes is a Politics-Environmental Studies major from Berkeley, California. Her senior thesis is on the data center going up in the Wallula Gap business park. Lybarger-Yanes played on Whitman women's varsity soccer for three years, and she worked in Athletics during all four years at Whitman. She is also a member of IPECC (Indigenous Peoples Education and Culture Club).

Nina Claire Horn '25

Senior Fund Philanthropy Chair

Nina Horn is a Biology major from North Bend, Washington. During her time at Whitman, she loved spending time with her fellow Alpha Phis, designing choreography for the Harper Joy Theatre, being President of the Whitman chapter of the American Association of University Women, hanging out with her friends, and engaging with her class as the Senior Fund Philanthropy Chair! She felt so lucky to have the chance to give back to the Whitman community and work with Lola, Kat, Rocío and her committee. She is thankful for the immense support, guidance and inspiration from her parents, family, friends and professors.

PHOTOGRAPHY

Whitman College, in conjunction with the Associated Students of Whitman College, is proud to give every senior a complimentary individual and class portrait. To receive their free prints, seniors should complete the registration form at whitman.professionalgradphotos.com. After the ceremony, each degree candidate who registered will be sent a link to their photos. Additional photos from throughout the day will be available to view/purchase within hours after commencement.

THE CLASS OF 2025 SENIOR GIFT

Through the efforts of the Senior Fund Chair and Committee, members of the graduating class have collectively made gifts to support and improve the Whitman community in positive ways. Several areas of the college will benefit from their contributions, including internships, sustainability efforts, scholarships and student aid. The Senior Fund Committee would like to extend their gratitude to the following senior donors who join alumni, families and friends in supporting current and future students with their gifts.

Whitman! Here's to You!

Words and Melody by
S. B. L. Penrose

Alla Marcia

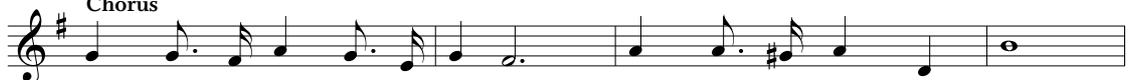

When the morn - ing light is break - ing o'er the east - ern moun - tain's rim, and the

world to work is wak - ing, let us sing our hap - py hymn:

Chorus

Here's to the blue sky a - bove us! Here's to the wheat - fields gold!

Here's to the friends that love us! And our love shall ne'er grow cold _____ for

friends and fields and moun - tains un - der heav - en's kind - ly blue, and the

col - lege mid the foun - tains, dear old Whit - man! Here's to you!

The words and melody to “Whitman! Here’s to You!” were written by the third president of Whitman College, Stephen B.L. Penrose, in 1914. Also known as the “Whitman Hymn,” the song is sung at every convocation and commencement ceremony.
