

Report of Documented Disclosures of Alleged Sex or Gender-Based Harassment and Discrimination

Academic Year July 1, 2021- June 30, 2022

Total Documented Disclosures: 24

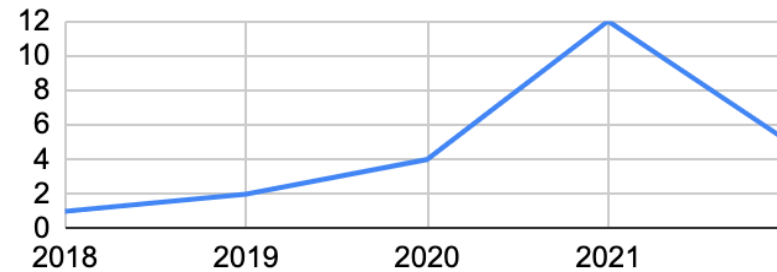

The Whitman College Title IX Office has customarily released information on reports of sex and gender-based harassment and discrimination on an annual basis. We hope this tool to promote transparency will help foster a supportive environment for our students and employees to thrive in and out of the classroom. Please note that the “unknown” designation throughout this report implies that the information was not disclosed and is therefore unknown by the College.

Location of Incident

A majority of reported incidents occur in Residential Halls.

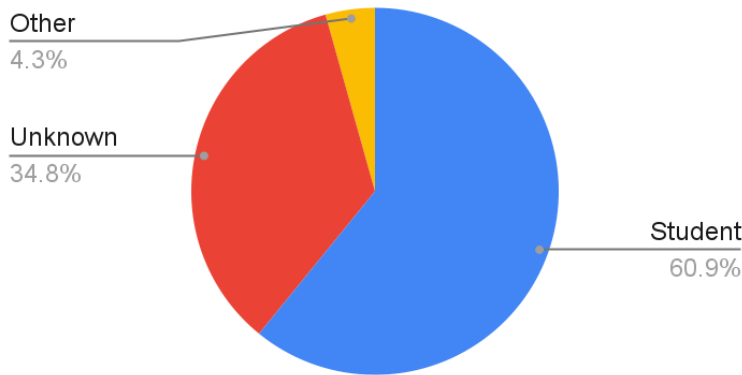

Year of Alleged Incident

Year of Alleged Incident

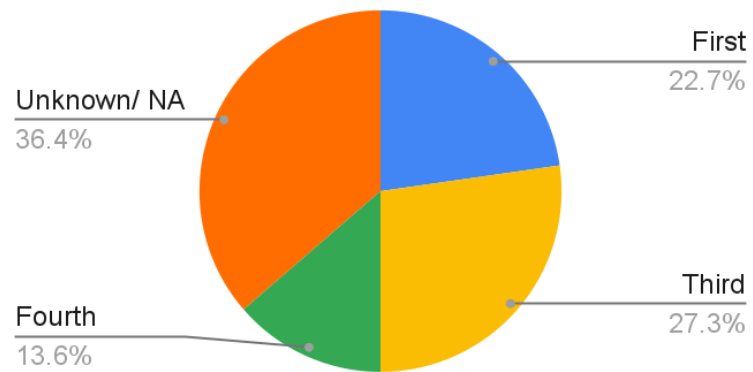

Most reports are made within the same calendar year of the alleged incident.

Complainant Status

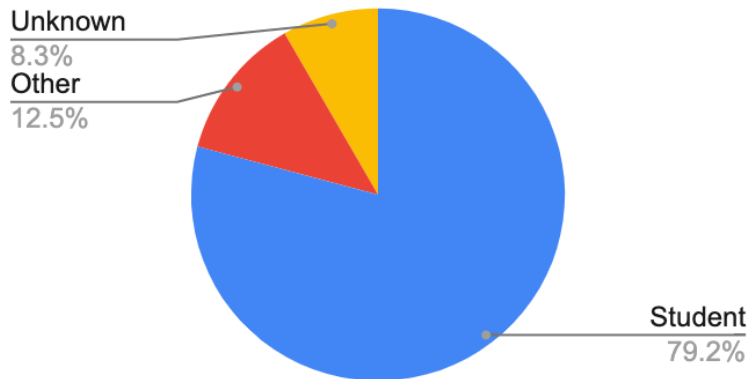

A majority of complainants are Whitman College students.

Complainant School Year

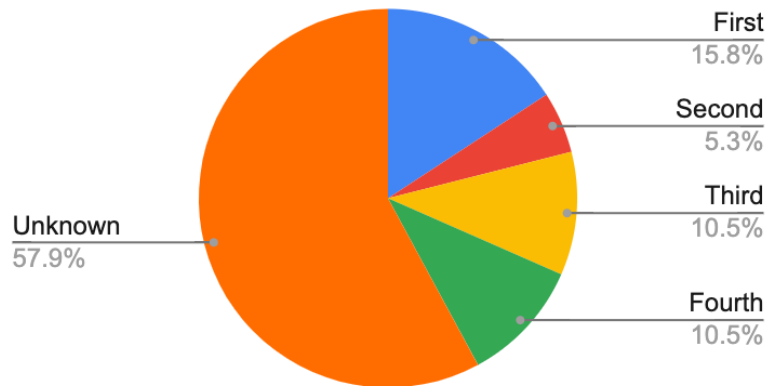

Fourth-year complainants have reported fewer incidents.

Respondent Status

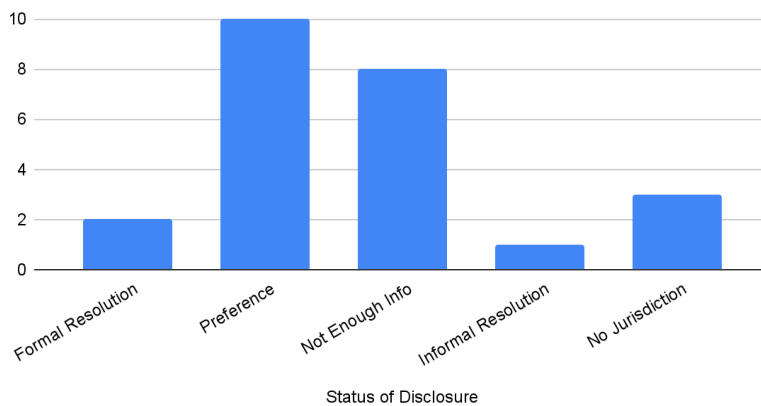

Respondents in the “other” field represent known respondents outside the Whitman College community.

Respondent School Year

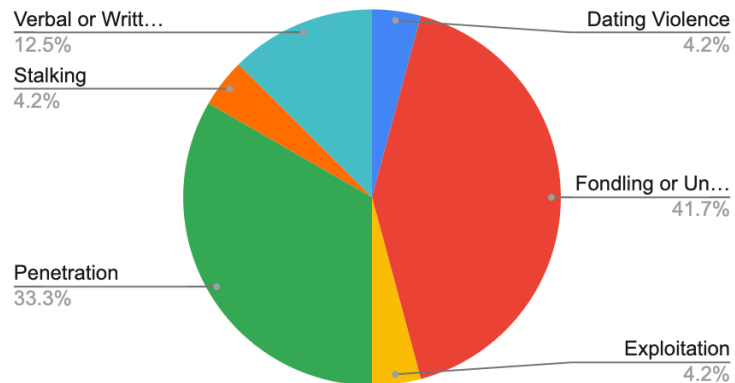

Most disclosures report incidents perpetrated by first-year respondents.

Status of Disclosure

Complainants are given the opportunity to choose the resolution pathway that best suits them.

Types of Alleged Behavior

Stalking, dating violence, and exploitation were amongst the least reported types of behavior
