Requirements for Honors in Major Study
<ol style="list-style-type: none"> 1. Grade Point Average: Upon completion of <i>all</i> degree requirements, a minimum <i>major</i> GPA of 3.5 and <i>cumulative</i> GPA of 3.3. 2. Credits Completed: At the time of application for Honors, at least 87 total credits. 3. Residency: Upon completion of <i>all</i> degree requirements, a total of at least four semesters in residence at Whitman, including <i>two consecutive semesters for the final year of attendance</i>. The Board of Review may be petitioned to waive this requirement. 4. Honors Thesis Course: Upon receipt of this form, the Registrar's Office preregisters the student in the Honors Thesis (498) course for the upcoming semester. The student must earn an A- or better in this course. 5. Senior Assessment: The student must receive a grade of "Passed with Distinction." <p style="text-align: center; margin-top: 10px;"><i>Upon successful completion of all of the above, Honors in Majors Study will be noted in the student's academic record. This will also be listed in the Commencement Program and a certificate will be awarded in addition to the diploma.</i></p>
